For sale: the operating Fereczata Guest House in Przysłup, between Cisna and Wetlina. There is an owner's apartment on site, so you can live here and continue welcoming guests under the Fereczata name. The house has 384.9 m² of usable floor area and stands on a plot of 4,452 m². The guest section comprises seven rooms and seven bathrooms. The owner's apartment on the ground floor includes a living room, a bedroom, a bathroom and a separate toilet. The ground floor also houses the kitchen and dining room. The terrace offers views of the poloninas (mountain meadows). In the garden there is a covered area with a fir…
